

University Positions

Assistant Dean 2022 to present

Focus on economic and rural development in New Mexico

Co-director 2020 to present

Center of Excellence in Sustainable Food and Agricultural Systems
New Mexico State University, Las Cruces, NM

- Coordinated research, outreach, and academic efforts related to sustainable agriculture with more than 100 affiliated faculty members.
- Managed Center budgets and external funding for projects conducted through the Center.
- Coordinated collaborative efforts between NMSU's Center of Excellence with other Centers located at institutions of higher education in the state.

Interim Associate Dean / Director of Academic Programs – 2018 to 2019

College of Agricultural, Consumer and Environmental Sciences
New Mexico State University, Las Cruces, NM

- Oversaw college's promotion and tenure committee and process, including organizing committee structure and coordinating college guidelines to reflect university guidelines.
- Provided direction for department heads relative to faculty evaluations and evaluated college department heads.
- Supervised associate dean's office personnel and organizations, including the university's rodeo team and the State FFA office.
- Worked individually with students and faculty to resolve academic issues.

Department Head – 2015 to 2022

Department of Agricultural Economics and Agricultural Business &
Extension Economics Department
New Mexico State University, Las Cruces, NM

- Lead a diverse team of faculty members to meet the expectations of University stakeholders relative to the University land grant university mission of extension, research, and teaching.
- Conducted annual faculty and staff evaluations.
- Worked with faculty to redesign the department's undergraduate and graduate curriculum to better reflect industry needs and expectations.
- Worked with faculty, students, alumni, and other stakeholders in developing new scholarships and funding sources.

Professor – 2014 to present

New Mexico State University, Las Cruces NM

Associate Professor – 2009 to 2014

New Mexico State University, Las Cruces NM

Assistant Professor – 2003 to 2009

New Mexico State University, Las Cruces NM

Teaching Specialist / Assistant Professor – 1998 to 2000

University of Minnesota / Southwest State University, Marshall MN

Education

Ph.D. Agricultural Economics ✦ Purdue University, West Lafayette IN (2003)

M.S. Economics ✦ Utah State University, Logan UT (1994)

B.S. Economics ✦ Brigham Young University, Provo UT (1992)

Awards and Honors

- New Mexico FFA Association Honorary State Degree (2014)
- NMSU Donald C. Roush Excellence in Teaching Award (2009)
- NMSU College of Agriculture and Home Economics Distinguished Teaching Award (2008)
- NMSU College of Agriculture and Home Economics Advisor of the Year (2008)
- NMSU College of Agriculture and Home Economics Advisor of the Year (2006)
- U.S.D.A. National Needs Fellowship, Purdue University (2000 – 2002)

Professional Memberships

- International Food and Agribusiness Management Association (IFAMA)
- Southern Agricultural Economics Association (SAEA)
- American Agricultural Economics Association (AAEA)
- Western Agricultural Economics Association (WAEA)

Description of Courses Taught

Courses taught at New Mexico State University

Course Number	Course Title / Description
AEEC 1120	<i>Intro to Agribusiness Management</i> – Orientation to the Department of Agricultural and Agricultural Business. Students will discover the types of careers available to graduates.
AEEC 2110	<i>Agribusiness Management Principles</i> – Description and application of management and financial principles, market planning, and organization theory in small business situations.
AEEC 305 / MKTG 305	<i>Marketing and Pricing Agricultural Products</i> – Description of agricultural processes and functions; food production and consumption patterns; agricultural product prices; nature of competition in agricultural product markets; commodity markets. (Required course for undergraduate students)
AEEC 311 / FIN 311	<i>Financial Futures Markets</i> – Emphasis on financial instruments, currencies, and stock index futures. Principles of hedging, arbitrage, speculation, technical and fundamental price analysis and trading strategies.
AEEC 400	<i>Seminar</i> . Current topics and cases in the agribusiness literature stressing rigorous qualitative analysis of current problems and policy issues.
AEEC 425	<i>Agribusiness Financial Management</i> – Description and application of techniques and principles of financial management to problem situations faced by agricultural businesses, including financial statement development and analysis, capital budgeting, sources and costs of capital.
AEEC 451/ MKTG 451	<i>Agribusiness Market Planning</i> – Applications course where self-managed teams develop and present marketing plans for agribusiness firms. Emphasis on integrating the marketing mix, particularly promotional elements.
AEEC 506	<i>Economic and Financial Analysis of Agribusiness</i> – Course focuses on common analytical tools used to evaluate the economic and financial performance of businesses operating in the food and fiber supply chain. The course uses a combination of course discussions, assignments, and case studies to present the material critical to the successful management of agribusinesses. Topics include financial statements and analysis, financial planning/modeling, financial risk and risk management, the time value of money, and capital budgeting methods used in agribusiness.
AEEC / FIN 511	<i>Advanced Futures and Options Markets</i> – Advanced hedging and speculating strategies using futures and options contracts. Coverage includes interest rates, stock indexes, metals, currencies, livestock, and grains. Concepts of price analysis (technical and fundamental) and basis analysis; technical paper is required.
AEEC 551	<i>Advanced Agribusiness Marketing</i> – Applications course in which self-managed teams apply marketing theory in the development and presentation of marketing plans for food and agribusiness firms. Course includes analysis of marketing problems with emphasis on strategic marketing issues changing trade policies, and global competitiveness. (Required course for M.S. and M.B.A. students)

Graduate Student Advising

Graduate committee chair / major professor: 29

Graduate committee member: 23

Grants, Contracts and Gifts (\$27.5 million total; \$2.0 million PI)

- USDA-SCRI. "Trees for the future: Coordinated development of genetic resources and tools to accelerate breeding of geographic and climate adapted pecan trees." October 2022. ~7.9 million. Lillywhite portion of award: ~ \$280,000.
- USDA-NIFA. "Expanding Organic Systems To Reduce Water Demand And Increase Agricultural Resilience In The Southwest." October 2022. ~750,000. Lillywhite portion of award: ~ \$75,000 (approximate as final award is pending).
- USDA Natural Resource Conservation Service. "Valuing New Mexico Natural Resource Conservation System (NRCS) Ecosystem Services. \$500,000. 2020.
- New Mexico Department of Agriculture. "Operational Costs of a New Mexico State Meat Inspection Program. \$50,000. 2019.
- New Mexico Economic Development Department. "Fiscal Impacts of Retiree Attraction Program." \$150,000. 2018.
- USDA – Foreign Agricultural Service. "2017 Faculty Exchange Field Study Program." \$49,473. Lillywhite award: 24,737. Co-PD. 2017.
- USDA – National Institute of Food and Agriculture. "Coordinated Development of Genetic Tools for Pecan." Total award: \$4,404,284. Co-PD. Lillywhite portion of award: \$32,279. 2016-2021.
- USDA – Foreign Agricultural Service. "2016 Faculty Exchange Field Study Program." \$48,748. Lillywhite award: \$27,374. Co-PD. 2016.
- New Mexico Horsemen's Association. (Gift). \$7,500. 2012.
- NMDA. "Certification Program for New Mexico Grown Chile: Evaluation & Development." Co-PD. \$54,981. 2011-2013.
- USDA – National Institute of Food and Agriculture. "Systems Approach at Improving the Long-term Competitiveness of U.S. Pecans Based on Their Nutritional and Health-promoting Components." Total award: \$1,219,636. Lillywhite portion of NMSU Subaward: \$153,155. Co-PD. 2011-2014.
- New Mexico Chile Association. "Investigating the Effects of NMSU Chile Research on New Mexico Employment." \$28,000. PD. 2011.
- USDA – Foreign Agricultural Service / National Institute of Food and Agriculture. "Iraq Agricultural Extension Revitalization." \$61,600 (amendment). 2011.
- New Mexico Chile Association. "New Mexico Chile Economic Update." \$8,000. PD. 2011.
- Las Cruces Convention and Visitors' Bureau. "An Analysis of Attendees' Satisfaction and Economic Impact: The Las Cruces Convention Center." \$6,926. Co-PD. 2010 – 2011.
- USDA – Foreign Agricultural Service / National Institute of Food and Agriculture. "Iraq Agricultural Extension Revitalization." Total Award Funding: \$11.8 million. NMSU Subaward: \$449,988. Co-PD. 2008–2010.
- USDA – Cooperative Research and Extension Service Rio Grande Basin Initiative. "Oilseed Production using Camelina under Varying Water Availability." Co-PIs: M. Encinias (team leader), D. Graham, M. Marsalis, S. Angadi, M. O'Neil. \$143,660 2008–2010.
- USDA – National Resource Conservation Service. "A Nitrogen/Insect Model for Precision Crop Management." Co-PIs: J. Ellington, T. Carrillo, D. McWilliams. \$75,000. 2007–2009.
- Cotton Incorporated. "Nitrogen/Insect Model for Precision Cotton Production." Co-PIs: J. Ellington, D. McWilliams, J. Pierce, T. Carrillo. \$30,000. 2009.
- New Mexico Chile Association. "Chile Certification." \$35,000. 2009.
- New Mexico Rural Development Response Council. "Markets for Hatch Co-Packing Facility." Co-PIs: T. Crawford and J. Libbin. \$23,000. 2009.
- Branch Ranch. (Gift). With M. Thomas and J. Thomas. \$25,000. 2009.
- New Mexico Horsemen's Association. (Gift). \$7,500. 2008.
